ABOUT

International BuildTech Expo 2015 is a premiere exhibition for the Local & International Property Developers, Building & Construction Industry Players. The exhibition is organized by United Malaya 360 Media with full support of Builders Association of India which is going to be held at Chennai Trade Centre, Tamil Nadu, India during 2nd – 4th July 2015.

This unique platform will gather all the property developers and construction industry players in one place to showcase their properties and products. **IBTE** promises to be an ideal platform for property buyers & investors to find their dream home or property investment from an extensive range of residential and commercial properties under one roof. The exhibition also includes a specialized secession of business matching and networking between exhibitors and potential buyers.

Builders Association of India (BAI) is the Principal Supporter of International BuildTech Expo 2015, which is the premier association in the construction industry have been 70 year old in existence forever. BAI has direct access to 15,000 builders who are builders & contractors and indirect membership of around 50,000 through various regional affiliated associations. It is an authentic powerhouse having 150 centers across India.
